

2018 Holiday Cruise

December 1, 2018

10:00am - 2:00pm

The Holiday Cruise is an annual event sponsored by MetroParks Tacoma for persons with disabilities to celebrate the holiday season with their friends and family. The event includes cruises on Thea Foss Waterway and Commencement Bay aboard boats provided by local yacht clubs. Before and after each cruise, guests enjoy dinner and dancing at Foss Waterway Seaport.

How can Totem members participate?

Totem Yacht Club has shared its members' time and vessels in this event for most of the club's history. The excitement and smiles on the faces of participating guests are not soon forgotten. "One of the most rewarding cruises of the year."

Skippers:

Volunteer your boat and your time for a cruise on Thea Foss Waterway and Commencement Bay for about an hour or so with some very special people. Plenty of docking assistance available. Or serve as crew on another member's boat.

- ❑ *Skipper/Boat Compliance form*

Participating skippers and volunteers are invited to a social get-together Friday evening with complimentary moorage at Dock Street Marina. Bring a pot luck appy and your beverage of choice. Please bring a "Toy for Tots" in exchange for moorage.

Volunteers:

Don't have a boat but would like to volunteer? There are plenty of other great ways to help out: setup, decorating, or clean up at Foss Waterway Seaport; guest check in; and chaperoning guests on/off the boats and while on the cruise.

- ❑ *Must fill out a Volunteer Packet*

To share in this Totem community outreach tradition, contact [Bob and Val Watson](#) for sign-up, participation details and the necessary MetroParks forms. 253-925-0751
